Ways You Can Sell

Catalog - You can sell by distributing catalogs. To place an order, your customers can call you or the toll free number, they can mail the order forms, or they can purchase online at www.blessedhh.com.

Home Parties - You can sell by showcasing our products at a home party. Customers get to see, touch, and taste (gourmet food) during the show. Party Hosts earn free and discounted products based upon the success of the party.

Custom Items - You can sell custom items to individual churches or large organizations. Depending upon the size of the church or organization, these sales can be very large. A custom sales consultant from corporate will be assigned to assist you throughout the entire process until the items are delivered.

Church Parties - You can sell by showcasing our products at a church party. Customers get to see, touch, and taste (gourmet food) during the party.

Portable Store Sales - You can work with corporate to schedule a portable store sales event. You make the contact, corporate does all the work. Corporate will make the date commitment, set up and take down the store, and staff the store during open hours.

Portable Store Sales Events can be held indoors anywhere large groups are meeting. They can be held at churches, large group meetings, large group events, and many other locations. Consultants get paid a flat 5% for identifying the opportunity. Minimum sales amounts apply.

Commission Plan

Stewards earn commissions on all sales based upon the commission table shown below. The monthly commissionable sales amount is for all sales in the month, through direct sales areas. Portable store sales commissions are 5% for all stewards.

Individual Commission Table

NET Commissionable Sales (Monthly)	Steward	Silver, Gold, Platinum Steward
\$1 to \$499.99	20%	22%
\$500 to \$999.99	21%	23%
\$1,000 to \$1,999.99	23%	25%
\$2,000 to \$3,499.99	24%	26%
\$3,500+	25%	27%

Net Sales = Sales - Credits (Returns)

All sales for the month are combined to determine your commission level. Portable Store Sales commissions are bonus commissions, and are not included in your Net Sales total.

You can sell any way you want!

You decide how you are going to sell. You can do it part time or full time. You can sell through the catalog, at home parties, and at church parties. You can also sell custom products to churches and other organizations.
